Duration

2 Years

Credits

120 ects

Presentation

STUDY PLAN

1st Year / Area of Specialisation in Computer Engineering

1º Semestre	ects	2º Semestre	ects
Complements of Software Engineering	7	Identity Management Systems	7
Datawarehouse Techniques	7	Option III	7
Option I	7	Option IV	7
Option II	7	Option V	7
Orientation Seminar	2	Tutoring Seminar	2

1st Year / Area of Specialisation in Information Systems

1º Semestre	ects	2º Semestre	ects
Complements of Software Engineering	7	Business Intelligence Applications	7
Datawarehouse Techniques	7	Option III	7
Option I	7	Option IV	7
Option II	7	Option V	7
Orientation Seminar	2	Tutoring Seminar	2

2nd Year / Area of Specialisation in Information Systems

1º Semestre	ects	2º Semestre	ects
Information Systems and Technologies Management	7	Dissertation Seminar or Project Work	30
Option VI	7		
Option VII	7		
Option VIII	7		
Project Seminar	2		

2nd Year / Area of Specialisation in Computer Engineering

1º Semestre	ects	2º Semestre	ects
Network and IT Infrastructure Administration	7	Dissertation Seminar or Project Work	30
Option VI	7		
Option VII	7		
Option VIII	7		
Project Seminar	2
