## Presentation

This Professional Master's Degree seeks to respond to an increasingly specialized area in the management of cultural institutions. It seeks to respond, in general terms, to the broader needs of the sector. In UCs such as Management of Cultural Organizations, Legal Issues in Cultural Management, Communication and Audiences, Contemporary Issues in Cultural Management or Culture and the Digital Context, themes that are at the heart of the concerns of this area will be addressed, as well as introducing new themes that have arisen as a result of the most recent technological and social transformations.
