Presentation

The degree course in Visual Arts is one of the projects of the Lusófona University of Lisbon in the field of culture and contemporary art, and its specialization is Painting, Drawing and Public Art. The entire teaching team is directly related to culture and art. Visual Arts teachers have a significant artistic activity and are researchers in the field of Fine Arts. The degree course in Visual Arts, inserted at ECATI - School of Communication, Arts and Information Technologies at ULHT - guarantees that, within the scope of an interdisciplinary dialogue and collaboration, the spectrum of individual interests of students is supported by tutors and technically assisted by specialists, which allows for diversified results at the media level.
